

Come Let Us Praise The Lord (Anders Butenko)

- A Come let us praise the Lord,
 Come let us praise the Lord,
 Come let us praise the name,
 The blessed name of the Lord.
- B1 Who is like the Lord our God,
 Seated on high.
 So great are His works, full of
 Splendor and majesty.
- Bri From the rising of the sun
 To the going down of the same,
 He's worthy to be praised.
- B2 Come into His presence now,
 Sing with thanksgiving.
 Rejoice in the Lord always,
 Our God is great.
- C We give You praise, King of Kings,
 We give You praise, Lord of Lords,
 We glorify, worship Your name,
 Lord, our God.
