

**Rest In You** (Anders Butenko, Joachim Hejslet)

- A1    When I'm weary  
      When I'm heavy laden  
      I come to You  
      When I'm crying  
      When I'm struggling, fighting  
      I come to You
- B1    I will take Your yoke upon me  
      I will learn from You, my Lord  
      You are gentle and humble in heart  
      For Your yoke is easy, burden light  
      Now I know  
      My soul finds rest in You.
- A2    In my darkness  
      When my heart is hurting  
      I come to You  
      Loving Father  
      I know You are calling  
      I'll run to You
- C     Jesus, Jesus, I find my rest in You.  
      Jesus, Jesus, nothing else but You.
- B2    I surrender all to You now,  
      I will worship You forever  
      You are worthy, I give You my praise  
      I have found what I was looking for  
      Yes, I know  
      My soul finds rest in You
