

Thirst For You (Anders Butenko)

- A1 God, my God,
I come to You
With heartfelt prayer.
My soul cries out,
My body yearns
For more of You.
- Bri Nobody else in this world
Can fill up my soul like You do.
- B I just
Thirst for You
Thirst for You
Thirst for You, God.
Yes, I
Long for You
Long for You
Long for You, God
- A2 As the deer,
That pants and longs
For water streams,
So pants my soul
For You, O God,
The living God.
- C You fill my cup, it overflows.
You overwhelm me with Your love.
You fill my cup, it overflows.
I will forever praise Your name.
