

You Are Higher (Anders Butenko, Joachim Hejslet)

A1 You are higher than my highest dreams.
You are deeper than my deepest thoughts.
You are magnificent, You are glorious,
You are my everything.

B Everybody lift your voice,
He is God, His name we call.
All together, come rejoice:
Jesus, You're Lord of all.

A2 You are brighter than my brightest day.
You are my light in my darkest night.
You are magnificent, You are glorious,
You are my everything.

V He is faithful,
T: He's my stronghold.
He is graceful,
A: He's my strength when I'm weak.
He is powerful,
S: My deliverer.
He's the way, He's the truth, He's the life.
