

**Your Word (Anders Butenko)**

- A1    Sitting here at Your feet  
      I have chosen the good part  
      Meditating on Your Word  
      Day and night, my delight.
- A2    I'm like a tree firmly planted  
      By streams of water  
      Yielding it's fruit in it's season  
      Seeking You first, I will seek You  
      With all my heart.  
      And I know You are with me.
- Bri    Jesus, You are  
      The way, the truth and the life  
      Jesus, You are  
      The Word.
- B     It is a lamp to my feet  
      A light to my path  
      Your Word, Your Word, Your Word.
